DASLS CHALLENGE CUP EVENTS: QUESTIONNAIRE

Dear Member,

As you know, last year DASLS hosted their inaugural Challenge Cup. In an attempt to ensure that events are hosted that appeal to most of our members, we should be grateful if you would consider the list below and tick the box next to any events that would interest you. Please add any other sports or events we have not mentioned below in the space provided. Completed forms should be returned to Charlotte Lythgoe (charlotte@dasls.com)

If you are interested in one of the more sophisticated sports, it is likely that we would expect you to provide your own kit and we may want to contact you to ask for details of venues etc. Please therefore add your name before returning to us.

Thank you for your time.

The DASLS Social Sub-Committee.
